KEY PREPARING FOR TROUBLE

Fatal Railroad Wreck on the Kan-
sas Pacific in Colorado

STRIKERS CLAIM TO BE GAINING

Harrodsburg, Ky., Aug. 3.—Reg-
ulators last night set fire to the barn
of Thomas A. Helton, a farmer in
this county, but met with more re-
sistance than they looked for. Helton
defended his property and shot two
shots mortally wounding one of the
regulators. Fifty shots were fired at
Helton's house, but not an inmate
was injured.

MORE TROUBLE ON HAND.

The War in the East May Not Be
Over Yet.

London, Aug. 3.—The news from
the East is full of possibilities. Tur-
key has ordered warships to Con-
stantinople. It is feared that this action
will cause a serious hitch in the peace
negotiations, and possibly may lead to
an outbreak again of hostilities.

SEVERE RAILROAD ACCIDENT.

Kansas Pacific Wrecked
With Two Fatalities.

Denver, Colo., Aug. 3.—The Kan-
sas Pacific flyer was wrecked near
this city this morning, and two train-
men killed. Five passengers were
fatally injured and many dangerously
wounded.

CLAIMING GAINS.

Strikers Bring Out More Men at
Plum Creek.

Pittsburg, Aug. 3.—The strikers
have succeeded in bringing out more
of the miners at Plum Creek. This
has greatly encouraged the strikers,
and they claim that they are winning,
and that in a few days their victory
will be undoubted.

NO INSURE OFFERED.

Japanese Ships Observed Both the
United States and Hawaiian
Independence Days.

Washington, Aug. 2.—The navy
department has received a report from
Admiral Beardslee, commanding the
Pacific station, dated Honolulu July
17. The admiral makes a point of
the fact that the Japanese war ship
in the harbor scrupulously observed
not only the 4th of July, but the
Hawaiian independence day as well.

RAILROAD SHOPS BUSY.

Mechanics Working a Full Day
for the First Time in Years.

Albany, N. Y., July 30.—The
Chicago & Alton shops in this city
were placed upon a ten-hour schedule
today, and every bench in the shop
department was manned. The com-
pany found it necessary to at once
put in order every car that can be
used in grain transportation, and every
locomotive. The shops have been
running largely with a half
force and on short time for several
years, and there is great rejoicing
over the change.

STILL BURNING TOLL GATES.

Pretty Hot Work for This Hot
Weather.

Cynthiana, Ky., Aug. 3.—The
toll gate raiders destroyed three
more gates last night.

WITHERED BY HOT WINDS.

Kansas Corn Crop Will Be 50 Per
Cent Short.

Topeka, Kan., Aug. 2.—Dispatches
to the Capital from every corn-
producing county in the state show that
this year's Kansas crop will not be
over 50 per cent of last year's. Hot
winds have withered the product in
the southern half of the state, and
few fields will average over fifteen
bushels to the acre. In the northern
belt, north of the Kansas river,
though needing rain, corn has not
shown the least sign of drought, and
will make a crop of fifteen to twenty
bushels. In the southern half of the
state, except far east, there will be
no corn.

The report shows today has been
the hottest for a week, and Sunday
the hottest. Yesterday the ther-
mometer stood at from 108 to 111 in
the southern half of the state, and
there is no crop there.

SURE ENOUGH FROM TOWN.

Whitesburg, Ky., Aug. 2.—Stone-
ga, Va., a mining town east of here,
is a forward-looking, growing town
and is celebrated for its mines. It has
met a phenomenal growth, having
increased in less than fifteen
months. Five hundred miners
have been found in less than
six months, and there are 300 more
in process of construction.

FATAL FALL.

Deputy Jailor, Frank Phillips,
Succumbs to His Injuries.

DIED AT 3 O'CLOCK A. M.

Was Tattered by High Ball—Had
Lived Here Thirty Years.

FUNERAL AT 4 O'CLOCK.

Deputy Jailor Frank Phillips, bet-
ter known as Frank O'Leary, died at
3:30 o'clock this morning of his re-
sults from a fall from the roof of the
county jail last Thursday in a runaway.
The popular deputy jailor, who was
known as "Old Frank," was thrown
from the roof of the jail, together with
his family, by a high ball from the
roadway from their wagon, while
enroute to a place in Cold Springs,
and in addition to being terribly
bruised and having an arm broken,
lost his right leg by amputation.

His condition was serious at the
start, owing to the weather and his
victim's size and injuries, but he was
thought to be getting along fairly
well until last night.

At midnight he became sick at his
stomach, but was conscious and ra-
tional, and talked freely with the
friends who were constantly with
him. Later he became restless and
delirious, and gradually became worse
and worse. About half an hour be-
fore his death he relapsed into uncon-
sciousness, and died almost without a
struggle.

The death of popular Frank Phil-
lips was a great blow to his fam-
ily, and to the community here,
especially as it came so unexpectedly.
He had been here for many years,
and was liked by all who knew him
on account of his big heart and pleas-
ant, affable manner.

For several years he was on the
police force, where he distinguished
himself for his fearlessness and good
shrewd work.

At the time of his death he was
deputy under Jailor Miller, and kept
of the Jailor's Park in the city.

Mr. Phillips was born in Carroll
county, Tenn., near Huntington,
and was fifty years old.

He came to Paducah thirty years
ago, and was one of the best known
men, having engaged in various busi-
nesses during his residence. He was
married three times, and in addition
to his present wife leaves several
step-children, namely: Mrs. Nina
Thomas, and Misses Ida and Jennie
and Masters Monte and Edward
Phillips, and a daughter, Mrs. Wm.
Hargan.

The funeral will be held at 4 o'clock
this afternoon at the residence of
Mr. Phillips, 407 South Seventh street,
at 4 o'clock, Rev. J. C. Tully officiat-
ing.

TERRIBLE DEATH.

Men Falling by Scores Before
the Fatal Rays.

Wholesale Destruction to Corn
Fields in Kansas and
Missouri.

Louisville, Ky., Aug. 3.—The heat
today was terrible and fatal. Fifteen
persons were reported in the city
before noon. Reports are coming in
from all parts of the country of deaths
caused by the excessive heat.

In Kansas and Missouri great dam-
age has been done to the corn crop.
In many parts the crops being entirely

PEACE ARMY

Making the Attack on the De-
mocratic Party.

Violence Not Attempted—Good
Council Given at an Enor-
mous Meeting.

Pittsburg, Pa., Aug. 2.—The
striking miners have broken all re-
cords in the history of the coal fields
of this state, and the excellent
order and law-abiding behavior they
have exhibited. It is conceded by
all that in former times, under simi-
lar circumstances, riot and bloodshed
would have resulted long ago from
the conditions under which the min-
ers have been placed during this strike.

The mass meeting of miners at the
McCrean school house today was the
greatest during the strike, and prob-
ably the largest gathering of the kind
ever seen in Allegheny county. More
than 5,000 striking miners were pre-
sented for an all day session, and labor
leaders harangued them in fitting
language, which was met with great
enthusiasm to the high-
pitched pitch. From every im-
portant mine of the district, min-
ers were gathering at the
school house. They came in bands
and small ones, but the out-
come of the camp wild with enthu-

A SAD SUICIDE.

Simon Wolfe Dies This Morning
by His Own Hand.

DIED AT 3 A. M.

He Also Took Four Grains of Mor-
phine—Continuation
of a Spree.

DETAILS OF THE TRAGEDY.

Simon Wolf, 713 South Third
street, and book-keeper for Mr. Kahn,
the Broadway wholesale liquor dealer,
terminated a four months' spree last
night by committing suicide. He
died at 3 o'clock this morning at the
Broadway infirmary, from the con-
tinued effects of whiskey, morphine
and a gas in his throat from ear to
ear.

Wolf was found last night about
8:30 o'clock at his home on South
Third street by his employer, Mr. M.
Kahn, George Wade and G. W.
Woolricher, and Officers Ullman and
Hind. His employer, knowing his
condition, and having not seen him
during the day, became uneasy last
evening and went up to look for him.
He found the key on the outside of
the door, but it was locked on the
inside. The crowd at this juncture,
after having knocked and tried to
arouse some one, heard from the in-
side a groan, and from the sound
of a heavy form hitting the floor.
They then burst in and found Wolf
lying on the floor of the dining room
in a pool of blood with a new barlow
knife in his hand and two gaping
wounds in his throat. Doctors Boyd,
Johnson and Rivers were sum-
moned at once.

A package originally contain-
ing 20 cents' worth of mor-
phine was found nearby, and
upon weighing it was found
that he had taken four grains of the
drug before cutting his throat. Great
difficulty was encountered in getting
the stomach pump down his throat to
relieve him of the poison, as he fought
like a demon, and abused the doctors
unmercifully. It required about
eighteen stitches to close the wounds
in his throat.

Wolf, as stated before, had been
on a protracted spree, and Mr. Kahn
had heard him say that he did not
mean to live. His wife and son, Max,
left several days ago for Battle Creek,
Mich., where the latter is in the
Catholic sanitarium for his
Cough.

After being moved from his house
to the Broadway infirmary, Wolf
sank into a comatose condition and
never rallied. Once he became con-
scious long enough to denounce those
who had caused to save his life, and
then relapsed into a lethargy. He
never once stated his reason for
taking his life, but, for the past sev-
eral years he has been known to have
been in a state of domestic life. He
frequently got on extended drinks, and
the last time was in a very bad con-
dition when he was found.

Mr. Wolf was about 50 years old,
and was born in Germany, coming to
America when quite young.

He lived here a long time, and was
married to Miss Bertha Kiefer, now
living in Louisville, and after-
wards to Louisville, Colorado.

He returned to Paducah ten or
twelve years ago, and has since re-
sided here, at one time being in the
liquor business.

Mr. Wolf was telegraphed high-
ly by relatives, but nothing had
been heard from him up to pres-
ent. It was expected, however,
that he would come on and arrive
tomorrow afternoon.

The time for the funeral, as a re-
sult, has not been set, but will not be
before tomorrow afternoon, if it is
then.

BIG SCORE

Over the Alleged Attempted
Suicide

Of Mrs. Lizzie Frankes—It Was
Probably a Mistake.

There was great excitement on
South Second street at 8 o'clock last
night. It was stated that Mrs. L.
Frankes, wife of A. L. Frankes,
who has been charged with receiving
stolen goods, while her husband is
charged with a similar offense as well
as many others, had attempted sui-
cide.

She was found in a state of great
excitement, running at the top of
the street, and shouting "murder."
Some of the women claimed that she had
been poisoned by phlegm, and a pas-
senger on the street car called Doctors Winstou
and Roberts on.

The woman could not be induced
to talk. The doctors gave her mor-
phine, and after recovering from
the effects she claimed that she had
taken no poison. The doctors are in-
clined to believe that she did not,
but that she was only suffering from nervous
prostration.

The crowd of people in the street
was very large, and many of the
people were shouting "murder."
The crowd was very large, and many

WORSE AND WORSE

Become the Cases Against the
Alleged Thieves.

MUCH STOLEN GOODS FOUND.

\$500 Worth Left Near Hinkleville
Last Week by Frankes.

MUCH OF THEM IDENTIFIED

There are still more startling de-
velopments in the cases against Pete
Griffin, "Kid" Carroll, J. W. Per-
kins and the two Frankes. Officer
Payette Jones returned yesterday af-
ternoon late from Ballard county.

At the residence of Mr. T. Beyer,
near Hinkleville, he found over \$500
worth of goods stolen in Paducah.
They were left there by Frankes last
week while he was on a peddling
trip. It appears he received a tele-
gram from his wife to come home
while he was at Wickliffe, and asking
permission from Mr. Beyer stored
them away there, where they remained
until found by Officer Jones.

Six fine pistols were identified by
George O. Hart and Company.

Wm. Cochran and Henry Runge a
pair of shoes.

Ellis, Rudy & Phillips four bolts
sash and L. B. Ogilvie six of silks
and satins.

Will Dick identified \$75 worth of
paul goods and Purcell and Thomp-
son a quantity of fine lace.

The first clue obtained by Officers
here was in several tags found near
Frankes' store, which had the marks
of merchants who had been robbed.

They began working on the case,
and the recent developments sur-
prised even the police. It appears
that the thieves have been stealing for
a year or two.

They came near running tailor Will
Dicke, stealing hundreds of dollars
worth of paul patterns from him.
Griffin would go in every day or two
and buy buttons, and while Mr.
Dicke was back showing them to him
his pals would steal from the front
end of the store.

The cases against the prisoners are
all set for Thursday, and it is likely
that before then still more incrim-
inating evidence will be discovered.

Mr. Sam Hinton, of the Bieder-
man Grocery Co., identified some
of the latest city hall as stolen
from the Biederman establishment.
